THIRD ROUND POSITIONING

CLOGGIES 7 - MAD DOGS 3

Commencing with the current leaders we see a much changed Cloggies side as several of their regular players are out of town and in addition it is a farewell to one of the more successful pairs players as Roger is deciding to relax [he says it is working] on the beaches of some little Caribbean island. So Captain Helmy was concerned as the Mad Dogs team has caused many an upset in previous years and are themselves often in the running for taking the trophy. Singles saw a new combo of Robot Rio playing with Nic against Arvid and Rauf<?> respectively. It appears that the Cloggies singles want to hit the post-golf drinking quickly as they destroyed the Mad Dog pair by 6:4 & 6:5. Angry Bob was partnered with the Captain and so hopefully he behaved and kept the moans down to a minimum but whatever this pair overcame Ben/ Powa 4:3. Despite years of advising Captains that putting family members together is not sensible Captain Helmy ignored this sage advice and the Lawtons took cudgels against Geoff and Zeno. There is no doubt that many would have cowered at the brute power generated by Lawtons but the guile of the Mad dog's pair showed what careful course management can achieve as this match ended all Square [obviously Zeno slowed play down to a level that was more akin to Saturday play !!!]. So Mad Dogs high handicappers Misa/Nabil were asked to show some consideration

against the departing Cloggie and Pradeep whose handicaps were only slightly less. The dream farewell was not to occur and Mad Dogs comfortably eased through 5:4

SANDBAGGERS 7 - SENTUL SW 3

Second place Sandbaggers thought it would be a 'stroll in the park' as they were pitted against Sentul Swingers, especially as the latter were coming off the back of a white wash. But as often the case some slips can happen and it is not sure if the Grumpy Captain [who was off sleeping rough in USA as he forgot to book an hotel] is going to forgive Wobbly. Wobbly had an initial problem of who to put into singles and selected Fernando & Matt to compete against Beamer Bob and the Norse Captain Viggo. Good news was that Beamer made it on time but he found the Saturday night jollities do not make for great golf the following day and Fernando thumped his way to victory 4:3. Pride to some extent was saved as Matt reversed this result in his match against Viggo. Wobbly thought he would get a rest by partnering Simon but Godwin and Greg had other ideas and this match went to the wire and no-one could break them apart. Sadly this was the end of points for Sentul Swingers and Joe/William overcame Howard/Gerry 4:3 in a pretty convincing win. Whilst Oliver [marriage seems to be exhausting him and his strength is

definitely slipping on the golf course] & Fritz scrapped through by a single hole against Mark & Joe it was a result that easily could have been altered had Joe sunk a couple of putts and Mark got out of the starting blocks quicker [but again Saturday night frivolities took their toll]

TEE SET 6 - TIN CUPS 4

Always the most fascinating match was going to be Tee Set versus Tin Cups, especially if the captains put their scratch golfers into an head-to-head. The previously unbeaten Sombrero Sam was up against 'not-out-of-the-middle' Joseph. However youth succumbed to aged wisdom and Joseph used grey cells to eek out a 4:3 victory. Whilst the Editor Simon thought he could induce Ika into some free publicity, Ika had other ideas and fought her way to a 2:1 win [she had to win Ladies Long drive to get her picture in print]. The other pairings all showed that the depth of Tee Set players was too much for Tin Cups and Tee Set came out victorious in each pairing. Captain Peter and Mike took out a late changed pairing of Peter and Returnee Ray 5:3. Chris/George saw Busty Bob & Mike off with the 2 up score line and finally but not unexpectedly Mel/Geoff played the proverbial scapegoat Bags and his despairing partner Lee and walked away 2 up victors.

COMPETITION 2014

• Rule 2-5 (extract>)

A claim is considered to have been made in a timely manner if, upon discovery of circumstances giving rise to a claim, the player makes his claim (i) before any player in the match plays from the next teeing ground, or (ii) in the case of the last hole of the match, before all players in the match leave the putting green, or (iii) when the circumstances giving rise to the claim are discovered after all the players in the match have left the putting green of the final hole, before the result of the match has been officially announced.

THIRD ROUND POSITIONING

JLI 6 - POCKSIA 4

Fascinating to see the magician Brad as he recovers from the rigours of the SPA tournament and leading his team to new heights. This match was in some doubt as the Pocksia captain thought he couldn't raise sufficient players but the vice-captain stepped into the breach and got together a full compliment of players. The singles saw the biggest hammering of the day when Jeff overcame Steve 9:8 [definite case

of early bath]. Alisatair was Captain of the day and lead from the front with a 3:1 victory over Deon. Sadly for Pocksia this was the limit of their points and Carlos/Paul took honours over Stan/Marc 7:5. The other pairings were closer as Chris/Kami and Tom/Alice each were two up against Sid/Adam and Glen/Geoff respectively. Note here that Brad heeded the warning of putting the family together and by splitting the Rodgers apart he collected 4 points

CLOGGIES CEREMONIE

It is a Tradition introduced by the Cloggies that any of their regular players who finally decide that Jakarta is not going to be their golfing home turf are both awarded and [slightly] humiliated - especially the men.

In addition to a certificate they are required to don the traditional Dutch costume and pose for pictures. This month it was the turn of Roger who is fleeing this island for one in the Caribbean --- the JLI wish him great success and enjoyment and hope that he finds an alternative group to clash golf clubs with.... Safe travels

RULES AND REGULATIONS

A question came up during discussions about what to do if your opponent infringes the rules. Ummm a tricky one in the spirit of the JLI as it is played in the best of intentions. However, the Rules to which the League adheres is fairly clear on this matter:

- Unlike stroke play, where you have an obligation to your fellow competitors to report every breach of a Rule that you witness, there is no such obligation in match play, as you may disregard, or overlook any breach of a Rule by your opponent.
- You may ask why a player might want to ignore a breach of a Rule that they witness during their match. Well, there are occasions when a breach may not benefit an opponent in any way and you may consider that to raise it may cause unnecessary friction in an otherwise friendly contest.
- you have to be careful. Whilst there is no compunction on you to call the penalty, you still must not say anything to your opponent(s) during play of the hole, as under Rule 1-3 players must not agree to exclude the operation of any Rule, or to waive any penalty incurred by either side. A simple remark to an opponent that you noticed him breach a Rule opens both sides to disqualification from the match, unless they insist on the penalty applying before they finish the hole. However, the breach may be openly discussed by both sides as soon as any player has made a stroke from the next teeing ground.

SPECIAL AWARDS

This was a strange month in that all three long drives were pretty even and were well short of the expected distances and also none of the usual recipients were in the list.

Mens A saw Slogger Simon [Cloggies] belt it 235 m but

he was seen later in the evening testing his biceps when he heard that Mens B saw Pieter [TeeSet?????] out drive him by a couple of mts at 237.

However, both were cowering when the Ladies applauded Ika who got over the 300 mt mark.

The Nearest the Pin really shocked the entire league when the winner was announced as he is better known for being an 'easy 2 popinter' ---- yes Bags chipped it to with 90 cms A few more roles and he would have been digging deep to buy the proverbial hole-in-one drinks.
