MATCH REPORT - 2 MAN STABLEFORD

Well this is the month previously denominated the 'holiday' month and was generally only used to complete any rained off matches during the earlier part of the JIL Season. This year teams wanted to hold some competition during August but sadly the initial enthusiasm was later hit by an outbreak of *birdyflu* and players / teams dropped quicker than flies off the dung heap, including a complete batch within a day of the start. Hope that this does not reflect on what may occur for the rest of the season... Including the end of season thrash.

Having said the above, representatives from Cloggies, JLI and Tin Cups turned up to play and were rewarded with an early start following the morning competition [all off by 12:25] / a super quick round with even a five-ball taking less than 3 ½ hours / use of the private room and consumption of all of the prizes awarded [plus extras]. In fact the evening entertainment continued for some considerable time and pictures will be on sale through the special website established especially for this event. Not certain that Tom will remember much as he had just returned from USA, was jet-lagged and looking forward to a trip up to Aceh but no doubt a few beers took away the sorrow of a bagful of shots around the course.

Teams of two played a two-man stableford, this included our sole female contestant but she is Australian and so

calling a Sheila a Bruce really doesn't matter !!! The best of the stableford scores on each hole counted for the team. At the end of the day only 7 points separated the top and bottom teams so pretty close. Despite much toing and froing the pairing of Fookie & James took the honours with 45 points --- however this was not good enough to prevent Fookie from paying out considerable side bets. On the bright side Fookie did start with Eagle [ball hitting the flagstick for an albatross and ending only a couple of inches away] then missing a shortish Birdie putt on the second hole. He had to wait for a couple of holes before the inevitable PBFU [well worn terminology in Jakarta of the 'Post Birdie F*** Up'] appeared. Joseph blitzed his way around and only dropped a couple of shots for yet another display of controlled golf. At the other end of the spectrum we saw Hans and Nicholas only get 38 points but they lost out on the boobie prize [which in fact was the same as the first prize in a couple of bottles of wine] due to a Committee decision that Rio and Sharon miscounted their score, only ended up a point ahead from bottom and had the only female player ... as you can see a very arbitrary decision or more commonly known as 'the power of the pencil'.

The course is now pretty dry and the greens are slowly coming back after the hollow tyning but certainly the pace remains variable. However, Edwin has

promised by the September JIL date things will be 'spectacular'. Also some of the bunkers are showing the felting coming through and so no doubt there are going to be occasions when these will be classified as GUR.

For a change the long drive was held on Hole #10 ---- so a real risk / reward shot if anyone wanted to go for the honours. Several names appeared on the sheet but the champion was Fookie with a 240 mtrs hit or a couple of lucky bounces on the downhill section! Nearest the pin also changed from traditional Hole#11 to Hole #2 [bad mistake as scribe locked it dead on Hole #11] and Joseph walked away with the honours at 3 mtrs.

In sadness we have to report that not all of last month's beer was drunk as the wine and vodka started to flow very early on in the proceedings.

For all teams please don't forget that Geoff will be hosting his birthday thrash immediately following the JIL in September. Plenty of food, drink and music are lined up and if last year's party is anything to go by then it is a date not to be missed. As it is likely that Geoff's friends will also want to come and play before imbibing **can all team captains let the Committee know approximate numbers in plenty of time** as course management and catering have to be considered so that Geoff is treated with the greatest and deserving respect .
