# MATCH REPORTS

Well the September penultimate round certainly put 'the cat amongst the pigeons'. Up until that month it looked plain sailing for Cloggies to once again lift the trophy but they were humbled by a truly resurgent JLI with a thumping of 8:2. This result clawed back the lead to a measly four points going into the final round. As if this was not a big enough surprise Pocksia failed to field a team and so gifted maximum points to MadDogs. TeeSet continued with their tentative steps to become a potential winner and Sentul maintained their humble record of never scoring more than 4 points in any of the monthly clashes.

So October was all set to produce a memorable climax to the season. All teams duly assembled at Jagorawi Golf club for the morning mini-shotgun start. In fact there were another 7 groups who came along to play and join in with the post golf festivities. With potentially four teams who could win, tensions were running high and players could be seen showing bravado in between touches of nail biting.

### CLOGGIES 6 - SANDBAGGERS 4

This seasons leaders Cloggies were up against a formidable opponent and also last year's champions Sandbaggers who lifted the trophy on a count back ruling against the same opposition. Interestingly these two teams are captained by husband and

wife and so can only imagine 'at-home' conversations as each plotted their way to trying to secure victory. The top singles pitted 'Just Lucky' Simon [JGCC men's runner-up] against the Sandbaggers captain Grumpy- sadly the expected close encounter was not to be as Grumpy twice had a bad run of three holes that gave Cloggies a comfortable win. However, 'Del Boy' Derek [a returnee for Sandbagger who had been practicing in the wilds of Scotland] evened the scores as he overcame a normally most reliable and Robotic Rio. The pairings were evenly balanced battles but Cloggies settled for two from three victories. The failure was Bloss and another gaggy golfer Antje who just could not put a game together against Fernando/Simone - although no player got anywhere near their handicap -- and succumbed to 2:1 although things might be different if the 17th hole saw that short put find the bottom of the cup. The Cloggies pairing of the season seems to be Schumaker and Pradeep and they once again found a real mix as they walloped Thomas/Mat 7:6. Nick and BoomBoom Corrie eased out Dale/Joe by two holes in another scrappy contest.

### MAD DOGS 6 - SENTUL SWINGERS 4

Thanks to the gift of maximum points in the previous month Mad dogs were another team who had the chance to take the title and were facing Sentul Swingers. This certainly had all of the makings of a major win as poor Sentul

struggled this season and had already suffered a whitewash. However this month Sentul continued in its latest trend of scrambling 4 points leaving only 6 for Mad Dogs. Mad Dogs sent out two ladies to compete in the singles and obviously the tactic worked as both came home with the full points as Iris & Cuny overcame Alistair & Viggo. The doubles were sufficiently close enough that either side could have won however, it was a little too late for Mad Dogs as Hubby/Wife duo Yati/Arvid failed in their quest to beat Bob/John and Malcolm/Zeno against Howard/Mark. Geoff/Tahir overcame Peter/The Hobbit Joe.

### JLI 7 - TIN CUPS 3

Second place JLI were facing Tin Cups and this had to be a convincing win for JLI in order to close the gap on the leaders. Sadly the early season steam had been exhausted and Tin Cups came storming through with a comfortable victory. Tin Cup's player of the season Joseph continued in fine form and led the victory from the front with a convincing 3 :2 win despite having to give his opponent a bundle of shots. Intriguingly the other singles pitted TinCups deputy Captain David playing a lady Alice off similar handicaps but as quoted later "I let her back in as I am a gentleman!!!! - a poor excuse Bags but a good consolation All Square. That father/son SourMash Benders pairing came one hole short against Jason/Dev in a real close encounter where there

## From the Scorecards

Congratulations for the H-I-O achieved by Jeremy [Pock sia] and his second in the JIL competitions and fourth overall.

• Jeremy [Pock sia] belied his 15 handicap by following the eagle by a birdie on the stroke index #1 hole

• Hans [Coggies] shoots under handicap with a back nine of 39

• Bagivo [TinCups] hits an eagle on hole #1

• Peries [Tin Cups] plays to handicap with a gross 74

• Jiro [JLI] takes highest score with an 11 on hole #16.

• A few others recorded double numbers and a few didn't write in any score!!

# MATCH REPORTS

was never more than one hole different throughout. JLI's normally reliable Tom/Jiro had all wheels fall off their wagon and they saw Fuki/Ryan gallop to 7:6 even though once again none got near to their handicaps. JLI honour was rescued by Carlos/Paul as they saw off Bill/Peter without ever falling behind. So the no-playing Captain Brad started the day with high hopes but ended with "that's golf" feeling --- still a tremendous season for the side that struggled so much last year.

### POCKSIA 5 - TEE SET 5

The most even battle came from these groups as they slugged out a draw. TeeSet obviously feeling the pressure and knowing that second place was in jeopardy as they had been beaten earlier in the season by their closest rivals. Also they realised they had to have a clean sweep and other results

go their way to lift the trophy. Singles saw a new shape as Mike faced Glen and Sid faced Neil. The former match went out to 4 up for Mike but then Glen put his game into gear and clawed back to square it with three holes to go and then to hang in for a creditable result. Sid couldn't achieve the same impact and slid graciously 3:2. The highlight of the match between Jeremy/David and George/Ric was the Hole-In-One by Jeremy on hole #11 [sadly the committee had not selected that as the nearest the pin hole of the day. Jeremy took it out in the best possible fashion by birdieing hole #12 [not bad eagle/ birdie in the heart of Jag's Amen Corner]. This feat obviously took the steam away from TeeSetters and they collapsed to 5:4 defeat. The other two matches ended one up to each team as Al/David took out Chris and the Hack Simon by a single hole and Al/Craig similarly dished out the score on John/Jeff.

### CHAMPIONS AND OTHERS

So the Coggies became the 2014 champions after what seemed to be a 'walk in the park' turned into a jaw-clenching tightrope walk for the season's ending.

Second place saw two teams tied on points but the award went to Mad Dogs as in the very first round they beat Tee Set and so Tee Set had to settle for third.

At the other end of the table Sentul never managed to get off the bottom!!

## SPECIAL AWARDS

### Nearest to the Pin

What a shame the Committee decided to switch the skill prize holes and so Jeremy's H-I-O didn't win the prize. Instead on hole #2 Glen [Pocksia] put it to 1.8mts to get this month's award

### Longest Drive

Hole #14 uphill and into the wind found a few people struggling but Corrie [Coggies] crashed it 220mtrs to take the ladies. Craig [TeeSet] increased the distance and in the "B" section thumped it 255mtrs. However, no-one could touch Del\_Boy Derek [Sandbaggers] who managed to bumble it a mere 290mtrs
