WELCOME TO THE INTERLEAGUE SEASON 2015

Well folks an early kick off to the 2015 JIL season and gratefully we got round without the rain gods descending. Amazing that after so much rain the course was very dry and definitely plenty of run for those wonderfully bladed shots.

As always we would like to ask that all players make certain their caddies take care of the course and surroundings and that the players don't make life difficult for them if they are trying. However, for any caddy who spends more time with the powder packs then they need pushing either to do their job or to explain to the caddy master why their skin care is more important than looking after their players !!

Anyway we are looking forward to a great season of golf and a tight finale in October.

Just to get you I to the right frame of mind always think back to the following:

- *No matter how bad your last shot was you should have Inner Peace knowing that a shittier one is yet to come. This law doesn't expire on the 18th since it has a supernatural tendency to extend over the course of the a tournament, summer, and even a lifetime.*
- *Your best round of golf will be followed almost immediately by your worst round. The probability of the latter increases proportionately with the number of people you tell about the former.*
- *All vows taken on the golf course shall only be valid until sunset.*
- *You can hit a 2 acre fairway 10% of the time and a two inch branch 90% of the time.*

RULES

Indonesia bunkering may often see you staring at the bunker lining

So what options do you have?

24-2. Immovable Obstruction

a. Interference

Interference by an immovable obstruction occurs when a ball lies in or on the obstruction, or when the obstruction interferes with the player's stance or the area of his intended swing. If the player's ball lies on the putting green, interference also occurs if an immovable obstruction on the putting green intervenes on his line of putt. Otherwise, intervention on the line of play is not, of itself, interference under this Rule.

b. Relief

Except when the ball is in a water hazard or a lateral water hazard, a player may take relief from interference by an immovable obstruction as follows:

(ii) In a Bunker: If the ball is in a bunker, the player must lift the ball and drop it either:

- (a) Without penalty, in accordance with Clause (i) above, except that the nearest point of relief must be in the bunker and the ball must be dropped in the bunker; or
- (b) Under penalty of one stroke, outside the bunker keeping the point where the ball lay directly between the hole and the spot on which the ball is dropped, with no limit to how far behind the bunker the ball may be dropped.

Of course dropping the ball into soft sand could easily leave you with a 'breakfast' scenario commonly known as a 'poached egg'

MATCH REPORTS

TEE SET - SENTUL SWINGERS: 10 - 0

Tee Set took on the sometimes unpredictable Sentul Swingers in the first round. Big names missing from Tee sets regular line up including Sam "Sombbrero" Westen, Simon Reynolds, Peter Reichlmeier, Geoff Thwaites, Neil Mullins and George "Pulpy" Bevege.

T-Set Captain and ex President of almost everything was compelled to blood new players to make up the numbers, with first time appearances from Aljosja, Anlo, Divja, Joseph, Barbora and Daniel, while veterans Chris Murchison and Craig Ewers were the only ones bringing any Interleague experience to the Tee Set line-up.

Rather tight in the singles with Chris 3 and 2 up over Howard Short, and Aljosja up 2 and 1 over Bobby McLeod. Howard and Bob's matches were the closest of the day and there was only bad news to follow the Swiggers back to the 19th tee. The doubles team of Anlo and Divja handed out a 8 and 7 drubbing of Goodwin and David while the Singing President Craig Ewers and Jags member Joseph de Cruz won convincingly 5 and 3 over Viking Viggo and Black Sheep Joe. But best was yet to come when the

youngster pairing of 13 year old Barbora and her 9 year old brother Daniel took on the grizzly oldies of Keith Potter and Peter. First time for Barbora and Daniel to play Jags and they certainly were not overawed by the intimidating layout although some might say Daniel took advantage of Keith's generosity in letting him play off the reds with his sister. I guess he felt safe Daniel could not hit very far anyway. Result was an 8 and 6 victory to the pocket battleship team. Keith and Peter last seen heading for a very early shower no doubt with the objective to be first back at the 19th hole and drink all the beer..

Puts Tee Set at the top of the table after round one with next month up against the reigning champions. Bring it on were the Cloggies parting words last year and Tee Set will certainly be fired up to take up the challenge.

TINCUPS - SANDBAGGERS 6 - 4

The Tin Cups led by Singles Master Peries, won a tough match 2up shooting a rough 77 by his standards and the other single match had DBags running into a red hot Kees who by the way shot a 77 and won going away 7-5, not bad

for a 10 handicapper. Doubles matches had Ryno and Humberson dropping the match to Bartlett and Wobbley who would not go away, even after 15 beers. Mr. Japan and Yusri took care of their own in a close one and last but not least James aka (Big Bull) and Ashby shot lights out and enjoyed a great victory. Cups Win 6-4!

CLOGGIES - MAD DOGS: 6 - 4

So last year's champions had to start their campaign against one of the 'always nearly there' teams and certainly both sides had a few changes from their 2014 line up.

The singles saw the frequent combination of Disney Dave and Robotic Rio against Craig and 'Call me Boss' Yati. Whilst Craig was receiving more than an handful of shots it was an uphill climb against Disney who seems to be bringing his game back into shape and 6:5 was probably a fair reflection on the play. Previously unknown for chivalry but being honorable, Robot realised that it would be most unkind for him to take advantage of his height and a fair tussle with the Head Honcho of Mad Dogs and whilst it went to the end, the upper

hand stayed firmly in the grasp of the lady [Robot was heard later to say that it is just the same as being at home where he has to remain subservient!!!!]. Peter/Nic were pitted against Keith/Kevin but according to Peter the steadiness of Nic was just too much and Peter was only asked to contribute on a few of the holes. Thankfully this was towards the end of the round where the 'Two K's' started to pull back from 4 down and got it back to only 1 down.

One of the more formidable pairings of Schumaker Hans and Colonial Pradeep were against Arvid/Sue and this proved to be a fantastic struggle with both teams having a chance to take the spoils. The 18th was the crucial hole and the Cloggies pairings managed to end 1 up.

In the final match the Cloggies Captain HotWax decided to ignore historically stated facts that families should be separated but insisted on having hubby/wife combo of 'I was just lucky' Simon and 'BoomBoom" Corry matched against 'Cigar Smoking' Cuny and 'I'll be whatever nationality you want' Malcom. This was another match where power doesn't always win the day and despite picking up long drive the Cloggie pairing slipped to a 1 hole defeat.

JLI - POCKSIA 4 - 6

Captain Brad had a few additional players and so dropped himself but in the end he must question whether this was shrewd captaincy. Singles saw Regis & Chris take on John & Amaryeet but whilst Regis only faltered by the single hole Chris had to watch Amaryeet take a comfortable 4:3 victory.

Carlos/Paul were up against what on paper looked to be a strong pairing of Jeremy/Glen --- but how deceiving and fickle the past form can prove to be as the JLI duo attained what in the UK is a 'Dog's License' victory [for those who are unaware in the per-decimilisation days dog owners had to buy a license and the cost was 7shillings and 6 pence].

Alice/ Piyawan played well together and whilst neither broke any records they were sufficiently 'ham & egged' that they overcame Jeff/Franz 4:2. So all was even as the final pairings fought the decider and what a battle this turned out to be. The lead switched several times, but finally David/Jono got the vital 1 up result against Tom/Jiro.

SPECIAL AWARDS

Special Awards: Last years financials ended in the red so it has been decided to trim the prizes for 2015 to long drive men, long drive women and closest to the pin. As is common with changes it takes a while to implement so we ended up with long drive men (Simon Lawton with 270m) no long drive women but

a nearest to the pin women Alice Rogers (1.42m) and nearest to the pin men Norman Bunter (2.03) who got a nice kick off the bunker lip to send the ball close to the hole.

Speed of play was helped by having 10 tee boxes to start from although there was a bit of confusion in the beginning when the paring sheet rolled out showed 18 tee boxes in use. (left over from November event) Edwin always the man to step up when the pressure is on sorted this out with a few slashes of the felt pen.
