

Dear Tee Setter, Sponsors and Guests

Thank you for signing up to support the 2018 Tee Set Championships which will be held at Matoa Nasional Golf Club on Sunday 25th November 2018.

We have a full day of golf, prize giving, awards and entertainment lined up as regulars to Tee Set will know and so included herewith is just a brief run down of the day's events and activities for those coming for the first time or those who enjoyed prior events so much they have forgotten!.

The most important thing to remember is to be at Matoa by around 6am for registration and to plan on not being away too early in the day since the fun will continue until around 5.30pm, possibly later if the refreshments and energy levels permit!

Your Tee Set Committee and several Tee Set stalwarts have put a lot of effort into getting today ready and we are pleased to see some record numbers turning out this year. We also are very grateful for the contributions of all our sponsors and would like to thank them for their continuing support as it is their contributions which allow us to put on such a fantastic day.

You will find attached herewith the rules sheet, your registration, handicap, locker number, starting hole and pairings to help you get ready on arrival. Please look out for the special payment desk to complete your sign in and to ask any last minute questions – hopefully not too many if we have done our preparation well enough!

Please note the local rules in the Rules Sheet regarding GUR under some trees due to course maintenance and for the bunkers: check with Roger Finnie if you have further questions.

Whilst we have many refreshments on offer, a bottle of your favourite tipple or wine will never go amiss to oil the day further so please feel free to stock your bag as you see fit.

We have 112 sign ups so the course will be full, please help us by watching your speed of play and ensuring the bunkers are raked well should you encounter one. Most importantly, have fun! See you all Sunday bright & early.

Tee Set Championship Committee
