

# Second Annual Tee Set East Java Challenge, 21-22 September

Yes, we have renamed it to give us a choice of courses, but the two-day eclectic format stays the same and we are hoping El Guapo will put his title on the line and face an impressive group of challengers.

After a great weekend at Finna last year, we have shifted to [Taman Dayu](#), a Jack Nicklaus designed signature course nearby, with very responsive management and various accommodation options onsite at the course. All payments will be direct from you to Taman Dayu. Register your interest with the (still) Singing (former) President, Craig Ewers on [craig.ewers@aipj.or.id](mailto:craig.ewers@aipj.or.id).

The format will again be the two-day eclectic based on USGA/Tee Set handicaps but with full discretion to the Committee to adjust after the first day. The event will include a Saturday afternoon and a Sunday morning round. The Saturday pairings will accommodate requests, but Sunday pairings will be determined based on the overnight leader board. On the second day, progressive scores will be transmitted hole by hole by pairings via WhatsApp group, guaranteeing an exciting finish, as overnight leaders stall and improvers surge and overtake.

This is a trip to bring non-golfing partners, and could be accurately described as “family-oriented”, while still providing plenty of opportunities for sharing some laughs and liquid refreshments. A BBQ dinner will be provided on the Saturday night (350,000 Rp per person) and there are good facilities and walking trails for non-golfers.

Participants have the option of arriving on the Saturday morning, or including a round of golf and a night of accommodation on Friday at discounted rates. The rates below are for the most basic king bed rooms but if you want to twin share to reduce cost by 400,000 per night per golfer or upgrade your room, also at discounted rates, just let me know by email. There will be the standard Tee Set 100,000Rp event entry fee but this will be distributed during the event, at the discretion of the Committee.

You are responsible for your own transport to and from the course, including flights to Surabaya or Malang as well as transport to/from the airport. The WhatsApp Group will be an opportunity to work out shared transport and group golf on Friday for those travelling then. The course is a similar distance from both centres. Araya Malang golf is close to the airport and an estimated 350,000Rp – very established quality back nine, not yet established but fun “links style” ☺ front nine. Finna is a quality mountain style course at an estimated 650,000Rp. Taman Dayu is offering a discounted 650,000Rp for Friday if you are serious enough a challenger to play a practice round.

## Rates

Note that we have not had the time or energy to screw down prices too far, so the rates here are as offered and it is a top rate golf course. If you feel you want to organise your own accommodation, please go ahead, but realise we have to reach our twenty maximum to get the group discount and keep a good relationship with the venue, so we would strongly prefer you to run with this deal.
